What: Volunteer Recognition Luncheon

When: Saturday, April 6, 2013

Time: Noon – 3:00 pm

Place: Wild River State Park Visitor Center

Keynote Speaker: Jim Cummings, Mille Lacs Kathio State Park Naturalist

Jim was recently assigned to a one-year sabbatical to assist in major archeological research throughout Minnesota, including the survey of new Lake Vermillion State Park. He is excited to share the stories of his behind-the-scenes discoveries with Wild River State Park Volunteers during this one-of-a-kind, and most-interesting presentation that is sure to take you back in time.

Please RSVP by Friday, March 29 whether or not you will be joining us and if you have any special dietary needs by contacting 651-583-2125 x227 or kacie.carlson@state.mn.us.

The afternoon will consist of a catered meal of rosemary chicken, au gratin potatoes, garden salad, green beans with almonds, dinner rolls, and dessert; a presentation from Naturalist and Archeologist, Jim Cummings, on his historic finds throughout Minnesota; a sharing of customer testimonials and awards from park staff; door prizes; and simply a relaxed afternoon with fellow volunteers. You're welcome to come early or stay after for a beautiful walk in the park. We hope you will be able to join us.
